TO WHOM IT MAY CONCERN

We, Teng Chan Chang and Ngai Yin Chan of the company Naddchan Pty Ltd have been dealing with Anthony Latessa since early 2011. He has been very knowledgeable and is extremely helpful in our venture to purchase a business in Australia. He has provided and have sourced information for us to make this transition into Australian business ownership a hassle free exercise. He has also provided us with assistance in overseeing our new business.

We would have no hesitation in recommending Mr Latessa to others, particularly other migrants looking to venture into Australia business ownership.
