To Whom It May Concern

I, Mr. Robert Tan bought a business from Latessa Business Sales, in Seaford, Victoria, in order to assist in the renewal of my Permanent Residency in Australia. Tony Latessa assisted me in not only purchasing the business but also ensured that all the legalities of the purchase were adhered to. He monitored the progress of the purchase until settlement with minimal hassle to me.

Tony also assisted in looking after the business for me in my absence for over a year and when I later decided to dispose the business, he also assisted me in the sale transaction and attended to all the necessary details on my behalf.

In my opinion, he is honest and reliable, has a sound knowledge of Business Sales in Australia, and holds the number one REIV Accredited Business Brokers License in Victoria.

I would strongly recommend him to Business Migrants who are considering to do the same.

Yours faithfully

Robert Tan
