TO WHOM IT MAY CONCERN

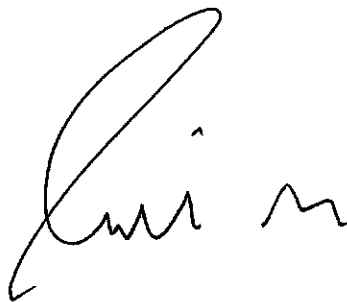

I am pleased to certify that I have known Tony Latessa for more than 2 years. Tony had assisted me in purchasing a Launderette business in Melbourne in 2009. Due to the fact that I am residing in Malaysia, Tony had to manage the business for me. He does the collection weekly, and banks the monies into my account. I also entrust him to ensure that the machines at the Launderette are maintain properly.

I am very happy to say that the Launderette business has done very well, thanks to Tony.

Recently, I had decided to sell the business, and once again engaged Tony's services to get me a buyer. And again, Tony did an excellent job in finding me a buyer, who was willing to match my required purchase price.

I find Tony to be a jovial person with a sense of humour. He is intelligent and hard working and has the ability of getting along well with people .

He is extremely trustworthy, truthful, knowledgeable, with a good knowledge of the rules of business dealings, and that his attention to details is excellent. I am very pleased to be associated with him.
